### Notice to Parents No: 2021/073

### Suspension of Face-to-face lessons

1<sup>st</sup> December 2020

Dear Parents / Guardians,

In the light of emergence of new COVID-19 clusters amid the severe fourth wave of coronavirus infections, the Education Bureau (EDB) announced on 29 November 2020 that face-to-face classes would be suspended from 2 December 2020 until after the Christmas holidays. Face-to-face classes are suspended but learning goes on, especially for S6 students who are required to sit in public examinations or school-based examinations as a preparation.

- A) In response to the suspension of face-to-face classes, the School has the following arrangements:-
1. Online lessons will be conducted through Zoom for S1 to S5 students and they will be conducted according to the current half-day timetable. Please refer to the next page for the Zoom ID and Password. Attendance will be taken by subject teacher for each lesson.
  2. As to have a better preparation for public examinations, face-to-face lessons will be conducted for S6 students according to the current half-day timetable. Please note the 7<sup>th</sup> lesson will be conducted from 12:50p.m. to 1:30p.m..
- B) The arrangement of Cross-Curricular Activities and After-school Activities are as follows:-
1. All face-to-face Cross-Curricular Activities and After-school Activities are suspended. If it is suitable after being reviewed by the tutor, the activity will be conducted online and details will be released through eClass Parent App.
  2. Respective S6 students should note that Shooting Star Programme will keep going on.
- C) If students want to borrow iPad for online classes, please submit to homeroom teacher a signed parent's letter as an application for the School to proceed.
- D) Please take precautionary measures for COVID-19 and influenza as well as pay close attention to the health conditions of your children, and please also avoid bringing your children to crowded places with poor ventilation. Students should maintain a balanced diet, exercise regularly, and take adequate rest in order to strengthen their immunity. If students are feeling unwell (even the symptoms are very mild), they must not return to school and should seek medical advice promptly to receive appropriate diagnoses and treatments.
- E) We will maintain the environmental hygiene of our school premises as far as we can to safeguard the health of our students. We hope that, after resumption of face-to-face classes, students can return to the school and enjoy their learning in a safe environment. However, we are mindful of the rapidly changing nature of the COVID-19 pandemic, schools will keep in view the latest development, and parents should pay close attention to any latest announcements of our school as well as the EDB.

If there is any update on the COVID-19 or related information from the School, parents can obtain it from the School's website [www.clsnp.edu.hk](http://www.clsnp.edu.hk) or eClass Parent App. It is hope that through our effort together, we can soon be free of epidemic and have a normal life restored!

Please fill out the reply slip and return it **through eClass Parent App** on or before 2<sup>nd</sup> December 2020 (Wednesday). For enquiries, please contact respective homeroom teacher at 2570 0331.

Yours faithfully,

Dr Leung Cheuk Fun  
Principal

**Remarks:**

Students need to change their login name to “Class\_Class No.\_Student Name” (e.g. 1D\_01\_Chan Tai Man), in order to allow the School to identify the students and admit them to the classrooms from the waiting room. Please note that students who haven’t followed the above rules of changing login name may be unable to be identified and cannot be admitted to classroom.
