Notice to Parents No: 2223/084 **Confirmed COVID-19 infection of staff in October**

2nd November 2022

Dear Parents / Guardians,

The School was informed on 12th October, 17th October and 31st October respectively that three staff members were confirmed being infected on 12th October, 16th October and 31st October respectively after taking the RAT test. The last day these two staff members came to school was 11th October, 15th October and 30th October respectively. Two of them has been recovered while the third colleague is now under quarantine. Our school has reported the cases to the Education Bureau and the Centre of Health and Protection, and strengthened the cleansing and disinfection of the school premises based on the advice provided by Centre of Health and Protection and the Education Bureau in order to guarantee the health of our staff and students.

The School here reminds parents to follow the health guidelines from the Centre of Health and Protection and take appropriate preventive measures for avoiding being infected by COVID-19. Details can be found at <https://www.coronavirus.gov.hk/eng/health-advice.html>. In addition, as to ensure a better protection from COVID-19 for students, parents / guardians are encouraged to have their child / ward receiving the vaccine as soon as possible.

As the pandemic situation is changing rapidly, the School will closely monitor the situation. The School will inform parents / guardians and students as early as possible.

May God bless all safe and healthy.

Yours faithfully,

Dr. Leung Cheuk Fun
Principal
