

Life is always better together

Life is always "Better Together". Students at Concordia Lutheran School - North Point were able to experience that first-hand in October during Concordia's Mission Week. As a joint effort, the International Interface Team, Spiritual Nurture Department, and English Department were delighted to host a team of fifteen missionaries from the state of Colorado in the United States as they helped to hold a virtual "Mission Week" from 18th to 22nd October (Monday to Friday). While they could not travel to Hong Kong this year because of COVID-19 restrictions, they still connected with us by sharing morning devotions and holding lessons with our Secondary One through Five students through online meetings.

Concordia's theme: "Be Fruitful"

The various events involved focused on Concordia's theme "Be Fruitful" through living out the "Fruits of the Spirit." In the morning devotions on Monday, Wednesday, Thursday and Friday, three missionaries talked about the nine Fruits of the Spirit and how the Holy Spirit gives believers the Fruit of the Spirit, and we may have more than one "Fruit" at the same time.

English Language Class

Students enjoyed interacting with the missionaries during the English lessons, sharing how they saw the “Fruits of the Spirit” in their own lives, playing charades to guess the “Fruit” students were acting out, and an exciting game of Kahoot! to end the lesson. It was a meaningful week, and students could use their English authentically. Some of the older students were also glad to still connect with the missionaries they have known from past years.

Epilogue

We look forward to more opportunities to interact with the Colorado Missionary Team in the future. May God bless the work of the missionaries, and may students come to understand that the Fruits of the Spirit such as peace, joy and love are available to all who trust in Jesus.

We are grateful for the partnership with the Colorado Missionary team. These caring, supportive missionaries are a blessing to our students and are a constant reminder that life is always better together.
