### Bring Your Own Device (BYOD) e-Learning Program for S2 students (2024/25 Academic Year)

18<sup>th</sup> March 2024

Dear Parents / Guardians,

To effectively enhance learning efficiency, strengthen classroom interaction, and improve students' self-directed learning abilities, our school has introduced elements of e-learning in various subject classes to cultivate students' use of information technology for learning purposes. To further facilitate electronic learning activities, our school will pilot the "Bring Your Own Device (BYOD) e-Learning Program" for S2 students in the 2024/2025 academic year. Students are required to bring their registered tablets to school for e-learning, aiming to enhance student participation in class, the quality of ongoing assessments and feedback.

Parents are kindly requested to take note of the following matters:

- (I) Students must bring their own tablets to school with specifications\* suitable for our school's learning system. The recommended tablet operating systems are as follows:
  - (1) iPadOS ( Recommended operation system for tablets )
  - (2) Windows
  - (3) Chrome OS

\*If parents decide to purchase the tablet by yourselves, please ensure that the devices purchased are compatible with the Mobile Device Management (MDM) software. If the software cannot be installed, they will need to purchase another compatible tablet by themselves.

- (II) The School will install the MDM software on students' tablets and manage them. The annual fee for the MDM software will be collected at the beginning of the first term of academic year 2024/25 (Reference: The annual fee for academic year 2023/24 is \$70.6).
- (III) As students will put their mobile phones in the mobile phone cabinet when they are at school, they can only use tablets as learning assistance in lessons.

Please complete the reply slip and return it to the homeroom teacher on or before 19<sup>th</sup> March 2024 (Tuesday). For enquiries, please contact Mr. Chiang Bryan Pak Weng at 2570 0331.

Yours faithfully,

Mr. Lee Kin Lim Larry  
Principal
