

Concordia Lutheran School - North Point 16th Annual Evangelistic Meeting

Do you want to get well

On May 9, 2025, Concordia Lutheran School - North Point hosted its 16th Annual Evangelistic Meeting, a cherished occasion to witness the grace and wondrous works of God. This year's meeting carried profound meaning with the theme "Do you want to get well?", awakening a longing and hope for faith, and reminding us that Jesus is our guide and hope—His light dispels darkness and leads us toward the true light of life. That evening, people from various walks of life gathered to experience God's love through worship and testimony.

The event was filled to capacity, attended enthusiastically by students, parents, alumni, friends, and members of the community. The atmosphere was vibrant with worship and praise. A special Children's Gospel Magic Workshop was organized to let children experience the wonder of the gospel through joy and amazement, allowing parents to participate in the meeting at ease within the auditorium.

We are especially grateful for the mission team from Concordia University Texas, various Lutheran congregations, and our school's Christian teachers and students who formed a spiritual counseling team. They lovingly ministered to both local and non-Chinese speaking students, demonstrating unity and love within the body of Christ.

The meeting began with heartfelt worship led by ETERNITY, lifting up God's love through songs.

Pastor Kwan Ying Leong then offered a prayer of thanksgiving, followed by a welcoming speech from School Supervisor Mr. Chu Yuen Wo, who also introduced the evening's special guest: Ms. Becky Lee, a renowned actress, singer, and TV host.

Following her testimony, Rev. Cheung delivered a response message. He pointed out that life is full of challenges and uncertainties, and that each of us sails through a sea of suffering. However, who we choose to trust and rely on determines our direction. Citing the theme verse John 8:12, “Jesus is the light of the world,” he encouraged everyone present to open their hearts and let Jesus become the light of their lives, their healer, and their source of strength.

Rev. Cheung then issued a heartfelt altar call, and Becky moved the audience with a touching rendition of “The Covenant Under the Rainbow.” The Holy Spirit worked powerfully throughout the venue, and many students and attendees responded to the call, stepping forward to receive prayer and blessings. As it says in Ephesians 2:8, “For it is by grace you have been saved, through faith.” That evening, countless hearts were stirred, and many experienced spiritual renewal.

Through this evangelistic meeting, Concordia Lutheran School - North Point once again became a channel of God’s grace, enabling more people to hear the gospel and experience salvation. May the Lord’s light continue to shine in people’s lives, guiding them along the path of grace and leading them to partake in heavenly glory. All glory be to the Almighty God!
