**Parent Education Programmes for Parents of Non-Chinese Speaking Students**

3<sup>rd</sup> November 2025

Dear Parents / Guardians

The Education Bureau (EDB) attaches great importance to parent education and provides diversified parent education programmes specifically for parents of non-Chinese speaking (NCS) students. EDB has commissioned Caritas – Hong Kong to organize activities under the “Academy for Parents of Non-Chinese Speaking Students” between November 2025 and June 2026, thematic sharing sessions and community activities will be held in various districts across Hong Kong. Diversified modes of activities, including thematic talks, workshops, game booths and community exploration, are adopted to cater for the different needs of parents of NCS students.

All along, our school actively promotes home-school co-operation and parent education. We encourage parents of NCS students to actively participate in the activities under the “Academy for Parents of Non-Chinese Speaking Students”, to understand the knowledge and skills that support their children’s learning and whole-person development. The event calendar, topics, enrolment methods, and contact information of the service provider are at **Annex 1**.
