[Recommended Television Programme]

5th March, 2026

Dear Parents / Guardians

Our school has always valued home-school cooperation. We encourage parents to watch television programmes with educational significance and positive values together with their children, so as to enhance parent-child communication and help students develop a positive attitude towards life from an early age.

We are pleased to recommend to you the television programme “Showers of Blessings – I Didn’t Take the Wrong Path”, which is the testimony of our School Supervisor, Mr. Chu Yuen-Wo. Through touching real-life stories, the programme illustrates how individuals, when facing difficulties and challenges, rely on faith and perseverance to rediscover direction and hope in life. The content is inspiring and thought-provoking.

The programme will be broadcast on the following date and time. Parents are encouraged to watch together with your child.

Date: 8 March 2026 (Sunday)

Time: 3:30 p.m.

Channel: TVB Pearl

Programme Title: Showers of Blessings - I Didn’t Take the Wrong Path

We hope that you and your child will enjoy this meaningful programme and share a warm and enriching parent-child experience.

Yours faithfully

Mr. Lee Kin Lim Larry
Principal
