

Concordia Bazaar 2026

The annual "Concordia Bazaar 2026" concluded successfully on April 27, 2026.

This vibrant bazaar was not only an opportunity for the Concordia community to experience entrepreneurial education firsthand, but also a splendid stage for students to showcase their talents and unleash their potential. Every guest present that day witnessed the harmonious fusion and beautiful integration of Concordia's diverse cultures.

Best

Each stall was thoughtfully decorated with rich traditional colors, proudly displaying handmade crafts and artifacts carefully selected by students from different countries. Thanks to the dedicated efforts of enthusiastic parent volunteers, volunteers from One Centre, C & MS Blessing Thai Church and Young Life; teachers, and joyful students, every corner of the bazaar was filled with a warm and inclusive atmosphere of cultural charm.

Guests also had the pleasure of savoring authentic homemade delicacies from around the world. Each dish was prepared with genuine heart and passion, filling the air with irresistible aromas that left a lasting impression.

During the award ceremony, the spectacular performances by Concordians added brilliant sparkle to the event: passionate Indian dances, graceful Nepalese dances, soul-stirring singing, and energetic band performances captivated the entire audience. Teachers, parents, and guests alike were fully immersed in the joy of laughter, warm fellowship, and meaningful cross-cultural exchange. We were also thankful to have Japneet, the alumna for the sharing about university life.

Although the lively Concordia Bazaar has now come to a successful close, the beautiful memories created will surely remain forever in the hearts of every member of the Concordia family.
