

Notice to Parents No: 2526/264
Circular for June and July 2026

28th May 2026

Dear Parents / Guardians

The important issues in June and July are summarised below. Please read and sign the reply slip through eClass Parent App on or before 2nd June 2026 (Tuesday).

1. Holidays in July

1st July – Hong Kong Special Administrative Region Establishment Day

2. 2025-2026 Graduation Ceremony

Our S6 Graduation Ceremony will be held on 26th June (Friday) at 10:30 a.m. in the school hall. Students should come to school on time in tidy and neat summer school uniform. Please note the arrangement that day:

Reporting time: 9:30 a.m.

Reporting venue: respective Classrooms

Ending time of the ceremony: 11:45 a.m.

Please note that the Graduation Ceremony is a school function and thus all teachers and students have to attend it. Those who are absent due to sickness have to submit a medical certificate and a parent's letter. Unauthorized absence will be regarded as truancy. In case of **Education Bureau announces that the school will be closed on that day, the Ceremony will be postponed to 3rd July 2026 (Friday) at 10:30 a.m.**

3. Final Examination

Our final examination will be held from 10th to 22nd June. Your child is strongly encouraged to study hard for it.

4. Supplementary Lessons during Summer Holidays

This year's summer holidays will go from 16th July to 31st August. Supplementary lessons are arranged for certain forms and classes during the holidays. (A notification letter will be issued to the corresponding classes later). Teachers sacrifice their leisure time to conduct supplementary lessons for senior secondary students in order that they can keep up with the progress and get ready for the public examinations. Hence, students taking the subjects concerned have to attend the supplementary lessons at school as scheduled. Please note that students who are absent due to sickness have to submit a parent's letter and a medical certificate to the subject teacher when normal lessons resume. In all other cases, students will be subject to disciplinary actions.

5. Learning Support

Learning Support Team is now conducting re-assessment for S3 & S4 students with special educational needs. If any student needs to apply for special examination arrangements in HKDSE Exam but has not been informed of the arrangements for re-assessment, please contact Ms. Au Yan Wai at 2570 0331 immediately.
