Application for the Use of iPad as a Translation Device in the Third term Examination

28th May 2026

Dear Parents / Guardians

As some students of new immigrants expressed that they temporarily have difficulties in adapting the reading of Chinese or English, parents may apply for the use of iPad as a translation device in the Third term examination.

Students who apply for using iPad as a translation device will be arranged to do the following papers in a separate examination room, in which their use of iPad will be monitored:

- Chinese History
- Citizenship, Economics and Society
- Computer Literacy
- Geography
- History
- Science

Please note that the total raw marks of the students applied for using iPad will be deducted according to the formula below:

$$\text{Total Net Marks} = \text{Total Raw Marks} \times 90\%$$

Parents who wish to apply for the use of iPad as a translation device in the third term examination should indicate in the below application form and submit it on or before 1st Jun 2026 (Mon), and please remind your child that the iPad should only be used for translating the examination questions. Should you have any enquiries, please contact Mr. Choi Kam Wai at 2570 0331.

Yours faithfully

Mr. Lee Kin Lim Larry
