**Applied Learning - Western Cuisine (2027-29 Cohort; 2029 HKDSE)**

9<sup>th</sup> June 2026

Dear Parents / Guardians

In response to The Education Bureau to optimize four senior secondary core subjects in the coming academic year, students can have time to take Applied Learning courses in S.4. The school now recommends your child to take the Applied Learning – Western Cuisine offered by Vocational Training Council (VTC). Through a simulated learning environment, students will acquire the knowledge and skills in western gastronomy, food commodities, food hygiene and safety as well as western food preparations. The course aims to develop students' interest in the hospitality and catering industry through practical training, and cultivate among them a service culture, self-discipline and team spirit as well as problem-solving, communication and presentation skills.

If a student is admitted to the Applied Learning Vocational English course, parents and students should keep the following points in mind, and parents should urge your child to fulfill them:

- (1) Applied learning is a two-year course and students must complete the entire course after the acceptance of the course, and cannot withdraw halfway;
- (2) Students need to complete ALL assessment tasks on time;
- (3) Student's attendance rate must be higher than 80%. If you are absent, you must submit the documents as required by the school, otherwise you will be treated as trauncy.

To facilitate the application and registration process, please note that the school will transfer the student's necessary personal information—including, but not limited to, their Hong Kong Identity Card (HKID) number, residential address, and Date of Birth—directly to the VTC.

Please provide the details of the students on or before **12<sup>th</sup> Jun 2026 (Fri)** for applying for the course. The school will forward applications to VTC. Should you have any enquiries, please contact Mr. So Kin Fung at 2570 0331.

Yours faithfully

Mr. Lee Kin Lim Larry  
Principal
