Arrangement of resuming face-to-face lessons for S6

6th January 2021

Dear Parents / Guardians,

Since the situation of COVID-19 is still severe, the Education Bureau (EDB) has decided that all secondary schools will continue the suspension of face-to-face classes and school activities after 10th January 2021. The suspension will continue until the beginning of schools' Chinese New Year holidays. However, it is understood that the learning of students will inevitably be affected as they cannot return to schools for a prolonged period and schools are keen to sustain certain face-to-face class time with students. With such considerations, provided that proper health protection measures are in place, schools can arrange a small number of students to attend face-to-face classes at campus.

- A) In response to the suspension of face-to-face classes, the School has the following arrangements:-
1. As to help students to have a better preparation for public examinations, face-to-face lessons will be resumed from 11th January 2021 (Monday) for S6 students according to the current half-day timetable. Please note the 7th lesson will be conducted from 12:50p.m. to 1:30p.m..
 2. Respective S6 students should note that Shooting Star Programme will continue.
- B) Please take precautionary measures for COVID-19 and influenza and pay close attention to the health conditions of your children, and please also avoid bringing your children to crowded places with poor ventilation. Students should maintain a balanced diet, exercise regularly, and take adequate rest in order to strengthen their immunity. If students are feeling unwell (even the symptoms are very mild), they must not return to school and should seek medical advice promptly to receive appropriate diagnoses and treatments.
- C) To ensure a safe and hygienic environment for students to learn when face-to-face classes resume, we would keep on enhancing cleansing and sanitizing work. However, as of the rapidly changing nature of the COVID-19 pandemic, schools will keep in view the latest development, and parents should pay close attention to any latest announcements of our school as well as the EDB.

If there is any update on the COVID-19 or related information from the School, parents can obtain it from the School's website www.clsnp.edu.hk or eClass Parent App.

Please sign back **through eClass Parent App** on or before 11th January 2021 (Monday). For enquiries, please contact respective homeroom teacher at 2570 0331.

Yours faithfully,

Dr Leung Cheuk Fun
Principal
